5. FURTHER STUDIES AND CAREER DESTINATIONS

* We provide career guidance for vocational schools and various universities.

Depending on your educational background and life goals in your own country, we will provide guidance for each student.

If needed, supplementary training can be provided for your further study.

In addition, we can also provide tuitions for those who need learning support beyond the scope of Japanese language school so you can take a university entrance exam. Please contact us separately.

Example of Supplementary Tuitions

* Specific Skills - Exam Preparation Course

Out-of-School Training and Guidance

* Tuition for University Entrance (additional fee required)

Short Thesis Course, etc.

7. OTHERS

(1) Part-Time Job

The Regional Immigration Bureau permits students to work part-time in Japan within 28 hours per week without disturbing your academic work. However, if you unlawfully work part-time beyond this scope, you may be instructed by the school, or in some cases, may be withdrawn from school or asked to return to your country.

(2) National Health Insurance

All international students enrolled in our school will join this insurance. With this insurance, you will only need to pay 30% of medical expenses.

(3) Dormitory

For the first 6 months after the school entrance, all students should use the school-designated dormitory and learn about Japanese lifestyle. 6 months later, those who wish to move out will be allowed to do so.

Note: Several dormitories are available in different locations.

Dormitory Fees	
Cleaning fee at move-out	30,000 yen
Fees for each month	20,000 yen

※ Utility charges must be paid separately.
